

## Brillion Chamber of Commerce Business Recognition Policy

**Objective:** The Brillion Chamber of Commerce would like to recognize those businesses on the Chamber website to those Chamber members that have made “highlights or improvements” to their business. This may include a new service or product.

**Guidelines:**

1. A Business would need to submit in writing to the Chamber Board the improvement or highlight made to their business.
2. The Chamber Board will review, at their monthly meetings, those businesses that have submitted their application for placement on the Chamber website.
3. Those businesses selected having an improvement or highlight to their business will have their business on the Chamber website noting their highlight/improvement.
4. The Brillion Chamber of Commerce Board has the right to refuse any or all applications.
